Hi Donna,

The revised draft of the LanWest cultural report is attached to this email. The primary change from the version Micah sent you on 7.23.13 is the updated Appendix B. There are a couple other punctuation and format changes which are generally minor. The link contains a track changes word doc version of the report, a clean (track changes accepted) version, a PDF of the clean version with non-confidential appendices, and a separate Appendix B. The password is 7345. Please let me know if you need anything else.
